

AGENDA

THE FRIEDEL COMMITTEE FOR HEALTH TRANSFORMATION

Fall, 2016 Meeting Registration

Monday, October 24, 2016

Lexington, Kentucky

Building a healthier Kentucky will depend largely on what we do beyond the healthcare system.

Population Health or total population health is defined as "the health outcomes of a group of individuals, including the distribution of such outcomes within the group."

The meeting will highlight current successful national, state and community efforts to form partnerships to solve community health problems.
